Narberth Schools Have the Greatest Enrollment Ever

Principal Wilson Presents Comprehensive Report at Monthly Board Meeting

The Board of Education held its stated meeting on Monday, September 29, with all members present at roll call. After the report of the treasurer and of the property and instruction committees had been received, Principal Wilson submitted a detailed report of matters connected with the opening of the school as follows:

The enrollment in the school is larger than ever before, the total number at the present time being 624, an increase of 62 over last year's enrollment for the same period. The distribution of pupils is as follows: First grade, 77; second grade, 77; third grade, 72; fourth grade, 69; fifth grade, 67; sixth grade, 68; seventh grade, 76; eighth grade, 76; ninth grade, 42. The junior high school has an increased membership of 42 over that of last year. According to the official enumerator, 830 pupils of legal age, 6 to 16, reside in the borough, 48 of whom attend private schools, 155 parochial schools and 52 Lower Merion High School.

Owing to an excess of pupils from the south side in attendance at Lower Merion High School, it has been found necessary to make a temporary transfer of a number of pupils living near the P. R. R. station to a bus leaving the station at 8.15.

All teachers with the exception of Miss Fluck who, because of illness was unable to report, reported for duty on September 8. The list for the present school year is as follows:

First grade—Miss Wetherill and Miss Fox.

Second grade—Miss Woodworth and Miss Ferguson.

Third grade—Miss Watts and Miss Fluck.

Fourth grade—Miss Hoak and Miss Holloway.

Fifth grade—Miss Hoover and Miss Timlin.

Sixth grade—Miss Worth and Miss McKay.

Junior high school—Misses Jenkins, Tyson, Eckbert, Munro and Mr. Oerlein.

Special teachers—Miss Speakman, music; Miss Church, physical education; Miss Jantzen, art; Miss Maher, health.

In the junior high school Miss Jenkins' work includes English and civics; Miss Tyson, Latin and English; Miss Eckbert, French and geography; Miss Munro, mathematics and history; Miss Eames, sewing, cooking and general science, and Mr. Oerlein, history and mathematics and athletics for boys.

Four teachers attended summer school, Misses Hoover, McKay and Munro at Columbia, and Miss Maher at State College. Reports from the colleges show that all did very creditable work. Three of these teachers were given scholarships by the board who hope, by offering this assistance annually, to encourage other teachers to do advanced work along such lines as will keep our schools in close touch with the forward trend in education.

During the month fire drills were held in both buildings. A fire squad has been organized among the older boys who will have general charge of the dismissal of the classes during the fire drill period.

The alterations in the lunch room have not only added to the appearance of this department but have greatly facilitated the service. From 200 to 250 pupils are served on pleasant days and as many as 350 have been served on stormy days.

Two groups of pupils in the Eighth and Ninth Grades have been organized on the Dalton plan of education. This plan differs from ordinary class-room procedure by its emphasis of the individual type of instruction. Assignments of work extending over periods of a week to a month are made instead of the customary

NARBERTH AGAIN CHAMPS

Won Victory from Bala-Cynwyd Last Saturday

For the second successive season, Narberth won the pennant of the Main Line League by walloping Bala-Cynwyd at the Cynwyd School grounds last Saturday to the tune of 9 to 1. That score, however, hardly reflected the extraordinary superiority of the home team, as from the very start every last man of them was irrepressible and irresistible, and they carried on with a force and furore which brought chaos and confusion to the Bala camp. The erstwhile formidable Voekel soon fell an easy victim to their terrific and tempestuous onslaught and it was a gracious act of mercy when he was relieved from the mound, panic-stricken, desperately wild, during the fourth chapter. The mighty one fell with a thud, reckless and out of bounds, two deliveries of his jazzy jamboree landing on the school-girl complexions, north and south ends respectively, of Mickey Burns and Vernon Fleck, clouds which would have surely laid low lass hardy thespians. Then came another Voekel, the brother Rufus, a likely looking chap, who had obviously made deep drafts on the family supply of fortitude and courage, but to little avail, as it only took an inning and a fraction thereof to return him whence he came. The last comer, Copples, ran out the game, possibly because the Bala supply was altogether exhausted, or it may be that there was none left who had the hardihood to venture forth against the blistering barrage of the borough batters. It was not until the ninth that Bala scored its one and only one, a three-bagger by H. Mossman, brought home by Smith's Texas Leaguer, a concatenation which can properly be attributed to Narberth's wholesome desire to share its bounteous abundance. It was a great finish to a great season and all acclaim to the team which has rendered such yeoman service and all hail to that stalwart manager from the Emerald Isle, that indefatigable and indomitable leader, Honorable Frederick the Great Walzer. May long and happy days be granted unto all of them.

Gibson was superb. His strikeouts reached to double figures. Every 3-2 combination went his way. Bala perished on base at his sweet will. We hope that baby grows up like him. Burns was a terror. He hit and he stole and he scored. It's good judgment that makes him start the fray. John Dickie got a third of all slams. Every time he came up they changed pitchers. That's fame for you. Gene Davis got no less than 10 at his station. Baseball's food and drink to that lad. They all did nobly. They all played the game. They're a fine lot. And speaking of colored church collections, it's too bad it had to be at Cynwyd. The score:

Many Club Women in Caravan

'Get-Out-Vote' Campaign Well Under Way

Several women from this section represented the Main Line in the Caravan Parade and at the exercises held at Independence Square on Wednesday morning, to give a worthy send-off to the "Get-Out-the-Vote Caravan," which is to tour throughout Pennsylvania this month.

Seventy automobiles from Montgomery County were in line. All the cars were gaily decorated with the American flag and Montgomery County pennants. Coming from all parts of the county, the automobiles met at Elkins Park and proceeded down Broad street to the historic square, where many interested persons had assembled to witness the dignified ceremonies that were held under the auspices of the Pennsylvania League of Women Voters.

Mayor Kendrick was first on the program. He declared his sympathy with the movement of the League to get out the vote, and wished the Caravan great success. Other speakers were Miss Mary O'Connell, Chairman of the Women's Democratic Committee; Mrs. George Horace Lorimer, Chairman of the Republican Women's Committee, and Roland S. Morris, former Ambassador to Japan. Each speaker made a stirring appeal that all citizens should exercise their privilege of franchise. During the singing of "America," airplanes scattered vote pledges over the assembly.

Those attending from Narberth were Mrs. Carroll Downes, Miss Anna MacKeag, Mrs. William B. Goodall, Mrs. Hugh W. Brown, Mrs. Dare, Mrs. Roy T. Griffith, Mrs. James F. Donnelly, Mrs. Horace E. Ruch, Mrs. Ralph Hoyle, Mrs. Milton F. Alexander, Mrs. Edgar H. Cockrill, Mrs. J. E. Deacon, Miss Elder, Mrs. Walter Hurd, Mrs. E. L. Kanaga, Mrs. W. H. Lewis, Mrs. Hill, Mrs. Harry A. Jacobs, Mrs. Robert F. Wood, Mrs. William Livingston, Mrs. E. C. Batchelor, Mrs. Charles H. Shaw and Mrs. C. P. Fowler.

Rally Day

Tomorrow, October 5, will be celebrated as Rally Day in the Presbyterian Church, and it is confidently hoped and expected that there will be a real rally of all the forces in every department of the church work. The Bible School, which meets at 9.45 A. M., is out for a new record in attendance; there were 325 present last Sunday. Promotion exercises will be held in the various departments and certificates awarded to those who pass on to higher grades.

At the meeting for public worship at 11 A. M., the new church bulletin will be distributed, the church quartet will assist in the music and the sermon will be delivered by Rev. A. F. McGarragh, of New York city. At the same hour, in the lower room, the Junior Church will celebrate Rally Day by special exercises, the Juniors having faithful church attendance for eight months will receive suitable awards.

Great plans are being made by the Christian Endeavorers for their Rally Meeting at 6.45 P. M. Miss Florence Haaf, the president of the society, will be the leader and an interesting program is being planned. Mr. McGarragh will again be the preacher at the evening worship at 7.45.

Engagement Announced

The engagement has been announced of Miss Fannie Marie Whitman, of Berkeley, Calif., to Mr. Alfred Freeman Whitman, of Cambridge, Mass.

Mr. Whitman, a widower, is a former resident of Narberth. While living here he had an active interest in several local activities and made many friends.

At present he is secretary of the Boston Child Welfare Association.

Moving to City

Mr. and Mrs. V. L. Sanderson moved yesterday from Essex avenue to the Montevista Apartments, Overbrook.

Their home has been purchased by Mrs. C. H. Crane.

Referee for Penn.

Wilmer G. Crowell, of Narberth, well-known athlete and former manager of the Narberth ball team, refereed the Penn.-Ursinus game last Saturday. He also will be the official at the big Penn.-State game November 15.

Mr. Crowell has refereed many of the biggest games in the country during the past few years, and was called to the Pacific coast last season.

First Meeting of Juniors Tuesday

Planning for Banquet this Month

The first meeting of the Junior Community Club for this year is being held at the home of Ruth Jones, 103 South Narberth avenue, on Tuesday evening, October 7. It will be devoted almost entirely to social purposes; a general get-together of the old members, a real welcome for all new ones whom the old members can bring along, and special entertainment provided in the bargain. The welcome will spread to any new girls whom the club has not been able to reach. All they need do is to give their names to William Compton, 500 Woodside avenue, and come to the meeting.

And now comes a reminder of a very special opportunity offered to the Juniors which they can hardly afford to miss. During the week of October 13 the State Federation of Women's Clubs is holding its annual convention at the New Century Club in Philadelphia. The evening of October 14 has been given over entirely to the Juniors for a banquet. This will begin at 6 o'clock and will be accompanied by a thoroughly peppy program. Rumors of music by a chorus of girls from the various clubs and of—well, other things have come to us. Be prepared to give your name in for a reservation at the banquet at the meeting on October 7.

A Rat

Last Monday noon the fire siren shrieked its message. Firemen came running; Ray Weiss' car rounded the corner on a wheel and a half; children and grownups flocked to Elm Hall.

And the engines didn't move.

It transpired that a phone call had come in from Crane's Drug Store, and that fire number had been called instead of the police phone. Charles Girvin, of the Narberth force, answered the phone and pulled the alarm switch.

A moment later, someone from Crane's store rushed over to the Fire House with the information that the engines were not wanted. They simply needed a cop to shoot a rat.

Epworth League

Another inspiring League meeting last Sunday. Twenty-four heard Mr. Frye talk on the theme "Dare to Do Something," impressing on those present the fact that they must all put their shoulders to the wheel in order to accomplish anything worth while in League work.

The business and social meeting last Monday evening was a howling success and lots of fun and good eats. Better come next time. Misses Elizabeth Sheller and Edith Maltby and Mr. William Galloway were taken into full membership in the Epworth League during the meeting.

Sunday, October 5, Miss Eleanor Ward will speak on the topic "Having a Good Time." Come out and help us break all records. Everybody, young and old, is invited.

Friday evening, October 10, the League will give its friends a big surprise. Come out this Sunday and hear what it is.

Bake Sale

Good home baked pies and cakes at Cook Brothers, Haverford avenue, Saturday October 11. Under the auspices of Ladies' Aid Society of Holy Trinity Lutheran Church.

Proceeds for the benefit of the Building Fund.

Home Again

Mrs. Frances H. Baker and son, Andrew A., of Windsor avenue, have returned to their home after an absence of five months.

Will Observe Fire Prevention Week

Citizen's Committee is Chosen for Narberth

Fire Prevention Week, a national movement, will again be observed this year in Narberth. Plans are under way for a concerted effort beginning Monday of next week and ending Saturday, in which the entire community will join.

On Fire Prevention Day, next Thursday, there will be special exercises at the school in the morning, at which the need for care will be demonstrated. Members of the Narberth Fire Department, in uniform, will call at the homes in the borough and will distribute cards containing valuable information on fire prevention.

These cards particularly emphasize the danger of accumulated inflammable waste in the home, and urge that householders clean out any such refuse. Street Commissioner Suplee has announced that his department will co-operate by collecting the rubbish.

This will be done, he states, at the first of the regular winter ash collections, which will be made beginning on October 13. The problem of disposal will thus be solved.

The movement in Narberth is under the direction of a Citizen's Committee, appointed this week by Burgess Carl B. Metzger. The committee is composed of Dr. Leroy A. King, chairman; Mr. A. Perry Redifer, Mr. L. H. Trotter, Mr. Hugh W. Brown, Mr. George H. Wilson and Mr. Philip A. Livingston. Burgess Metzger is ex-officio a member of the committee. In addition, everyone in the community is considered a part of the committee to push the work.

Mr. A. Perry Redifer, president of the Fire Company, has appointed the following committee: C. V. Noel, chairman; E. H. Wipf, F. C. Patten, Walter Cowin and Arthur Banfield.

Special emphasis will be placed on the clearing of vacant lots, to prevent the many annoying and dangerous field fires which occur during the fall and winter. Owners of such lots are urged to cut down and burn the weeds, and to burn off the dry grass with an adequate guard to prevent spreading.

As a warning to motorists the Ardmore Chamber of Commerce recently issued a statement reminding them that they can best observe Fire Prevention Week by keeping as far away from fires as possible.

"Curiosity," says the statement, "impels many drivers to trail the fire engines or, sometimes, to beat them to the scene of the fire. This is not only dangerous to the motorists, but renders the tasks of the firemen more difficult. In many cities collisions have occurred between fire trucks and automobiles whose drivers tried to get to the fire first."

"The firemen may be relied upon to do their best to extinguish a fire as quickly as possible. Every second counts. Frequently many seconds are lost because of the curious motorists crowding the streets. The Insurance Department of the Chamber of Commerce of the United States has called our attention to a recent large fire in Washington at which the chief of the fire department was forced to leave his car three blocks from the burning building because of the people and automobiles that blocked his way."

"The duty of motorists is obvious. When you hear the warning from the fire trucks draw up to the curb and let them pass. Don't trail the trucks. Don't go to the fire. Keep away from it and give the firemen a clear field. No one knows whether the fire will be confined to one building or cover the entire block. In either case you will be in the way. In many cases the extent of the loss will depend largely upon your co-operation. And it might be your building that is threatened or is burning."

It is well to remember in what a large degree fire loss is preventable and to consider how it may be curtailed. It is imperative that we should heed and let us understand clearly the reasons. In 1921 it stood at \$485,000,000; by 1922 it has risen to \$506,541,000, while the destruction last year conservatively esti-

Hugh Brown to be Head of Bank

Officers and Directors Elected Wednesday Night

Hugh W. Brown, one of Narberth's best known citizens, member of the Borough Council and a well known Philadelphia business man, will be the first president of the new Narberth National Bank.

Mr. Brown was chosen to head the new financial institution at a meeting of the stockholders held Wednesday night. Other officers were also elected. Charles E. Kremer, of Essex avenue, and a Philadelphia business man, will be vice president. The following will compose the Board of Directors.

William C. Alexander, lawyer, Haverford.

Frank A. Cabeen, Jr., business man, Haverford.

James K. Stone, business man, St. Davids.

W. A. L. Barker, business man and president of the Board of Commissioners of Lower Merion Township, Gladwyn.

William R. Parker, business man, Narberth.

W. R. D. Hall, city editor, "Public Ledger," president of Narberth Borough Council.

A. P. Redifer, business man and member of Narberth Borough Council.

Dr. Clarence T. Faries, physician, Narberth.

Carl B. Metzger, business man and Burgess of Narberth.

Fletcher W. Stites, lawyer, and State Senator, Narberth.

Ralph S. Dunne, president of Narberth Coal and Building Material Co. and president of Narberth Civic Association.

Thus it will be seen that of the 13 officers of the new bank, nine, including the president and vice president, are residents of Narberth, and all of them are more or less actively associated with the interests and welfare of the borough.

At the Wednesday night meeting Victor D. Abel, the Philadelphia architect, who is also a resident of Narberth, and who had been selected as architect for the new bank building, submitted his design, plans and general specifications for the new structure.

The Narberth National Bank will occupy the site at the corner of Haverford and Essex avenues, now occupied by the garage. Mr. Abel's plans call for a two-story brick building of colonial style; the first floor to be occupied by the bank and the second to be divided into offices which will be rented. The new home of the bank will be a very attractive building and a decided architectural asset to the community.

Within the next three weeks it is hoped that the details of the specifications will have been completed. Estimates will then be asked for the construction of the building, and soon thereafter the contract will be awarded. Actual construction will be started as soon as possible, and while the work will go ahead as fast as weather conditions will permit, the uncertainty of the latter makes it impossible at this time to fix a date for the completion of the structure. The approximate date of the opening of the new bank will be announced later.

Saturday Morning Dancing Class

Having met with much success in the past two years, the Community Club will again conduct the Saturday morning dancing class.

Mothers, please let down the hems of the party dresses and try on the slippers so that the little girls may be ready for the first lesson. Watch the club news column for further information and help to make this season the biggest and best on record.

Men's Meeting Largely Attended

The monthly meeting of the Good Fellowship Club of the Narberth M. E. Church, held September 25, was a very successful one. An illustrated lecture on Paris by Dr. Dawson was enthusiastically received, together with the rest of the entertainment. An excellent program is being prepared for the October meeting, due notice of which will appear.

MAIN LINE CHORAL

"Main Line Choral" was the
name adopted by the representative
group of singers which met at the
Ardmore Y. M. C. A. last Tuesday
night for the purpose of forming
a permanent organization through
the merging of various local so-
cieties. In addition to Narberth
and Ardmore, Bryn Mawr was rep-
resented, and reports were received
from Wayne and Bala-Cynwyd. In
all, there was every indication that
the active membership will be in
excess of 100.

For the character of the meeting,
which was strictly business, the at-
tendance and interest pointed to a
successful season. Narberth had
largest representation, and its in-
fluence was shown in the fact that
the by-laws, as adopted, represent
very largely the results of the local
choral's experience under its code
as amended last year.

The promotion committee, under
the chairmanship of Mr. H. L.
Reinhold, Jr., of the Melody Club
of Ardmore, made its report, in
which it announced the election of
Mr. William P. Bentz, of Wayne,
as director, the tentative selection of
a centrally located place for re-
hearsal in Ardmore and a draft of
a constitution and by-laws.

Monday, October 13, was the
date set for the first rehearsal, the
place and time to be announced
later. At that time the nominating
committee, composed of Mrs. Van-
dersmith, Bryn Mawr; Mr. Crosley,
Ardmore, and Mr. Frye, Narberth,
as chairman, will submit a list of
nominations and permanent officers
will be elected.

Of special interest to Narberth
people was the announcement of a
business meeting of the Choral So-
ciety at the home of Mrs. Robert
Compton, 500 Woodside avenue,
next Monday night, October 6. At
that time it is hoped that last year's
unfinished business will be closed
up and the policies to be pursued
during the coming year clearly de-
fined. Everybody out!

"No Children Accepted"

(A Letter to the Editor of Our Town.)

Advertisement in "OUR TOWN," issue of
September 27, 1924

"Three apartments to rent. All newly re-
novated. Every modern convenience. October 1
and 15. No children accepted."

In this town—

Which grows apace—
With stores galore—
And trees pulled down—
Strange things have come amongst us.
The city lays its heavy hand—
And as it comes on—
Bringing its holocausts to our very hearth—
It almost dares—
To push God away—
From this green place.
Those apartments—
Which shall be so fine and grand—
The last word in modern ingenuity—
Their halls, broad and long—
Shall ne'er echo the baby's song.
It shall be night there—
Always night—
The sterile barrenness—
The hope forlorn—
The bitterness of what might have been—
The future, stark and drear.
The Lord shall look in this place—
These apartments ornate—
He does look everywhere—
And He shall see—
The world stopped—
Just where He started it.
And He might say—
The joy, the love, the sacrifice—
That glorify the day—
All those exalting things—
That angels bring—
Are set apart—
For homes where children come—
Where the fullness of life abounds—
Where men perpetuate their kind.

GWYNNE—CHALFANT

The Narberth Methodist Church
was the scene of an attractive wed-
ding on Saturday, September 27,
when Miss Jean Chalfant, of Nar-
berth, became the bride of Mr.
Allan Franklin Gwynne, of Car-
michaels, Pa.

The church had been beautifully
decorated under the direction of
Miss Miriam Ward with dahlias,
palms and autumn leaves. Mrs.
Edward B. Stanley presided at the
organ and the ceremony was per-
formed by Dr. Harry M. Chalfant
assisted by Rev. William Sheridan
Dawson, pastor of the church.

The bride, who was given in
marriage by her father, wore white
satin trimmed with chantilly lace
and a bridal veil of lace, tulle and
orange blossoms. She carried a
shower bouquet of white roses and
lily of the valley.

The bride was attended by her
sister, Miss Mary Chalfant, who
wore a dress of brown georgette
and lace over yellow, a brown hat
of lace and velvet and carried
yellow roses. Miss Dorothy Chal-
fant, a sister of the bride, and Miss
Betty Gwynne, a sister of the
groom, acted as bridesmaids. They
were dressed alike in frocks of blue
chiffon and lace over rose. Their
hats were of the same material and
they carried deep pink roses. Miss
Anne Chalfant, the small sister of
the bride, was flower girl. She
wore a white crepe de chine dress,
a hat of rose and white, and carried
a basket of pink roses.

Mr. J. Harold Gwynne, a
brother of the groom, served as best
man. The ushers were Mr. Ken-
neth Bailey, of Carmichaels, Pa.,
Mr. Vane Hogue, of Waynesburg,
Pa., Mr. Henry A. Frye and Mr.
Robert C. Collins, of Narberth.

A small reception at the home of
the bride followed the ceremony.

Mr. and Mrs. Gwynne will be at
home after November 1 at Car-
michaels, Pa.

Auxiliary to Meet.

The first meeting of the Wom-
en's Auxiliary of the Presbyterian
Church will be held on Wednesday,
October 8, at 10 o'clock, in the
church.

This is an all-day sewing meet-
ing. Luncheon is served at one
o'clock, the regular business meet-
ing following at two o'clock. The
charge for luncheon is 35 cents.
Mrs. Burns is to be the hostess.

Ash Collection Notice.

The regular winter collection of
ashes and rubbish will start on Mon-
day, October 13. Collections will
be made on the same days as last
year, according to an announcement
this week by Street Commissioner
George B. Suplee.

He states: "Kindly place all
ashes in metal containers and bot-
tles, papers and tin cans in wooden
boxes. We have a number of cards
on hand governing the disposition
of garbage, trash and ashes. If
you have not received one of these
cards, we will be pleased to leave
one at your residence. Call Nar-
berth 1741W."

WHAT HAPPENED

When the Lights Went Out.

Jim McKell won a blanket.
Lester Townsend got out his
ukulele.

Frank Fretz chanced off two
loaves of bread for 35 cents.

Miss America passed by three
times but could not find the club
house.

Jack Wine got so flustered he
couldn't tell Mama Dolls from
Wilbur Buds.

Despite the fact that the Electric
Company took this occasion to ad-
vertise their service by depriving us
of light after 10.30, this year's fair
was by far one of the most enjoy-
able and entertaining ever held.
Everybody had a good time. That
is, everybody but Harold Lane, who
is still looking for the Royal Italian
Band.

Every booth did a thriving busi-
ness and too much credit cannot be
given to those club members who
gave so much of their time and
energy to making the fair a success.

There are two lucky people in
Narberth who hold tickets for two
unclaimed "Mama Dolls." The
numbers are

Series 11278—99

Series 12413—75

The holders of these tickets can
have their prizes by getting in touch
with President Bill Evans.

public playground in said Borough and
for completing the grading and equipment
of said public playground" an election will
be held on Tuesday, the 4th day of No-
vember, A. D. 1924, between the hours of
7 A. M. and 7 P. M., at the place or
places fixed by law for holding municipal
elections in said Borough of Narberth, for
the purpose of obtaining the assent of the
electors of said Borough to an increase of
its indebtedness.

And notice is hereby further given as
follows:

The last assessed valuation of taxable
property in said Borough was three mil-
lion six hundred seventy-seven thousand
nine hundred (\$3,677,900) dollars.

The total amount of existing indebted-
ness of said Borough is ninety-five thou-
sand (\$95,000) dollars.

The amount of the proposed increase is
one hundred thousand (\$100,000) dollars
and the percentage of said increase is
.02718 per cent.

The purpose of the proposed increase
of debt is as follows:

To erect and furnish a public building
for general Borough purposes upon the
public playground in said Borough and
to complete the grading and equipment of
said public playground.

CHARLES V. NOEL,
Borough Secretary.

daily assignments. The usual formal daily recitation is omitted but daily conferences are held between teacher and pupil. Pupils complete the problem or project assigned to them without reference to other pupils' rate of progress. When work is completed some form of test is applied to assure the instructor that the pupil has done his work correctly. Under this plan the pupil organizes his own work and plans his method of handling it. Through this independent effort he must develop judgment, self-reliance and initiative if he carries through his work to successful completion. Given responsibility the pupil seeks the best way of achieving it. At present the trial of the plan is limited to a few pupils who have already given conclusive evidence of unusual mental ability and power of application. A recommendation to the Board for its further extension to other divisions of the school will be made if, after further study of the plan and careful evaluation of the results obtained from this group, it is found advisable to make the change.

SCHOOL NEWS

Miss Fluck, teacher of the third grade, who has been ill since the opening of school, returned to her duties on September 29.

Miss Gilbert, whom some pupils will remember as a former teacher of the sixth grade, was married during the summer.

Although there had been no hockey practice the first part of this week the girls have started to practice on Wednesday.

Miss Worth's "Get Acquainted Party" was a huge success. Frederick Robb presided over the meeting. Thirty-two mothers remained after the program to get acquainted and inspect the work in the classroom. This shows a marked interest on the part of the parents.

Last Saturday the boys' soccer team, accompanied by Mr. Orelein, saw the Penn-Ursinus game. Mr. Orelein, being a graduate of Penn., will probably be able to take the boys to several more games. One of them is the Drexel game, which was held on Wednesday, October 1.

DECLARED AN EXPENSE

Street Association Believes Paved Roads Pay Cost.

The Narberth Street Improvement Association, composed of people who are working for the passage of the Borough Bond closure for street paving, this week brought forth a new argument in favor of their project.

"Last Monday afternoon," their statement declares, "a resident of Narberth was driving his car in the heavy rain storm on an unpaved section of Woodbine avenue. Suddenly his front wheels sunk in up to the hubs. Fortunately he was going slowly and no damage resulted, but it was necessary for him to hire a garage service car to come to pull him out."

"The association believes that this accident which befell a Narberth man is a matter of interest to the entire community. It happened, by the way, that the man who got stuck in the mud is a resident on a paved street. Can it be said that he was out of luck and out of pocket and dismiss it at that?"

"The expense of pulling that man's car out of the muddy street, according to the Street Improvement Association's belief, would have much more than paid that individual taxpayer's share of the interest charge on the Bond Issue. This incident illustrates that the unpaved streets of Narberth are steadily levying a tax on the residents of the borough. It is a tax which is not fairly distributed and which some people have to pay by accident and which others escape by accident."

"The Street Improvement people believe that a majority of the voters prefer to recognize that the necessity for improved streets is a matter of common interest and common obligation and that it is a bad thing for property values and for the good name of the borough to permit the present condition to continue."

"This Bond Issue Proposal is not asking the borough to adopt a new policy or to provide for certain individuals something which has not been provided for others in the past. Practically all of the streets in the borough have been paved out of public funds. A severe depletion of the borough treasury some years ago made it necessary to discontinue that practice before all of the streets had been provided for. The residents on the unpaved streets have since then been contributing steadily in their tax payments toward paying for pavements on the previously paved streets. The treasury of the borough is now in a better condition and the residents on the unpaved streets feel that the time has come when their streets should be cared for in the same way that the others have been. There is no other way by which the Narberth street improvement problem can be solved in fairness to everyone."

LEAGUE CONTEST IN SCHOOLS

A feature of the "Get-out-the-Vote" campaign is a contest, under the auspices of the Montgomery League of Women Voters, among the pupils of the high schools of Montgomery county, to be instituted by the various leagues existing in the high school districts, for the best essay on "What Constitutes Good Citizenship." The prize for the winning essay will be determined by the local league in each district.

This contest is open to high school pupils only. The local contest will close October 15.

In addition, the Montgomery County League of Women Voters will award a prize of \$15 to the author of the best essay of the successful contestants in the various localities participating. Three judges will be appointed by the County Board to make this decision.

The spirit prompting these contests is the fact that the children of today are the voting citizens of tomorrow. To arouse in them some thoughts on this subject may help immeasurably in anticipating the apathy which exists so generally today among our voting population.

The Narberth League has contributed \$10 for prizes; \$5 of which is to go to the first year high at Narberth, the other \$5 to be added to the Lower Merion prizes, which includes the other three high school grades.

The essays are to 300 words in length.

Shop Remodelled.

The Narberth Beauty and Gift Shop has recently made extensive alterations, dividing the shop into booths and giving more room for the gift display. Their staff has also been enlarged.

FIRE PREVENTION WEEK

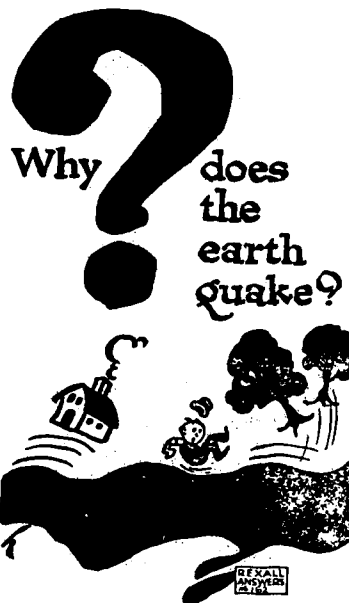

(Continued from Page One)

mated by the Actuarial Bureau of the National Board of Fire Underwriters, the official agency for the collection and tabulation of fire loss now approximates \$508,000,000. In addition more than 15,000 lives are lost each year by fires, most of the victims are women and little children. It has also been found fires occur in American homes at the rate of 359 every 24 hours—a fresh outbreak every four minutes. At least three out of four need not start, for they are due to direct carelessness and ignorance—both correctable.

The effect of this fire waste is reflected in every phase of our economic life, and enters into everything we make or buy.

During Fire Prevention Week, therefore, every conceivable means should be used to acquaint the public with the enormity of this drain and with the fact that it represents, in the truest sense of absolute waste, wealth permanently withdrawn from the country's resources. Everyone should be made familiar with the common fire hazards, and the ways and means for removing or guarding against them indelibly impressed upon the minds of all.

Each and every one is asked to help in this noble and educational work and throw their weight in securing the largest possible effectiveness for Fire Prevention Week.
